22.7.10 INSET Day and end of term

2.9.19 and 3.9.19 INSET Days

4.9.10 Back to school Autumn Term

SATS

It has been a normal week at St Margaret's for most of us, but for our year 6 children, it has been a week that 10 and 11 year olds should not have to experience. However, they have shown great maturity and conducted themselves superbly. Year 6 we are all very proud of you!

Fizpop Science

On Wednesday morning the children were enthralled with an excellent science display from Astro. They made a fog vortex, a flying rocket and watched a biggest lungs contest. All children were given a letter outlining the details of the forthcoming Fizzpop Science after school club. There are limited places; so if your child is interested, please return the application slip as soon as possible. The closing date is the

Breakfast Club Reminder

Thank you all for your support with the new booking in system. We do get booked up, but if you would like to book your child in please contact the school office who will be happy to help.

Message from Governors

Well done to Year 6 for all of their hard work and effort they have shown this week during SATs. Everyone is very proud of you and how you have conducted yourselves, clearly showing the school value of courage.

Helen Lowe - Parent Governor

Sports Day

On Sports Day, H's World of Imagination will be there with an Usborne book stall.

There will be a wide range of books from baby up to Year 6, as well as a bargain box and an opportunity to enter a prize draw to be in with a chance to win £100 worth of free books.

Year 3 Gardening

This week, the children in Year 3 have been enjoying the sunny weather by getting outside and doing some gardening. In science lessons they have been learning about plants, so they set up their own plant investigation. The children created their own questions to investigate, deciding what factors might affect plant growth

Questionnaire

We have received a great response from our recent online questionnaire regarding after school provision. As parents are not always able to drop off or pick up children, the use of the online questionnaire is an invaluable method of effective home/school communication. So, yes you guessed it...another one is on the way!

Last week, a few year 5 children started to collect responses regarding school uniform. To ensure everyone has the opportunity to respond, the questions are going to be sent out using the online questionnaire. All responses, from both the questionnaire and paper questionnaire, will be collated on Wednesday 22nd May.

Reading achievements

Many children, from Reception – Yr6, have achieved green, yellow and red reading apples. Well done everyone! We have now launched a 200 reading apple as a result of the fantastic reading enthusiasm. Watch this space for further information.

Nurse Information

Alex Pejovic, School Nurse, will be in school regularly for drop-in sessions. You can also contact her on 0121 423 3938 or 0781707544.

Future drop-in session dates at 3pm:-
21st May, 11th June, 2nd July and 16th July

Safeguarding

On previous newsletters we kindly reminded you to phone the school office or pop in to inform us of your child's absence. This is in line with our attendance policy and safeguarding. We have procedures that we MUST follow, this includes carrying out a 'safe and well check' where we visit the family home on the first day of absence if school hasn't been notified. If these procedures are followed a visit is not necessary.

Lunchtime Supervisor Vacancy

Are you looking for a rewarding and enjoyable part time job? Do you have an hour at lunchtime free? Are you a happy and caring person?

If this sounds like you, then you could be the person for us!

For more information and an application pack or to arrange a visit, please contact Tony Batham on 01384 818660 or email tbatham@hasbury.dudley.sch.uk
