NEWS

We did it! We managed to hold our sports day on the arranged day and we didn't get too wet! The two separate events were a huge success and all the children thoroughly enjoyed themselves.

Co-Op, very generously, donated bottles of water and fruit for all children as well as tea, coffee, cakes and biscuits for the parents. Thank you to the PTFA for their support with refreshments and to staff and governors for organising such a successful event.

Sports Day wasn't the only sporting event that happened this week. On Wednesday Mr Batham and I were very fortunate to take 9 children from year 5/6 to a rounder's tournament. The team won all their heat games and made it through to the finals. We came a super second with half a rounder difference. Well done to all participants. The skills and sportsmanship witnessed were truly remarkable.

Good luck to the football team for your game on Monday 10th June and to our Athletics team on Wednesday 12th.

Bag2School

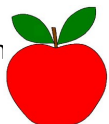

Bag2School is a free fundraising scheme that school has signed up to. Not only does it provide vital funds for school but also reduces the volume of textiles sent to landfill every year. We would appreciate everyone having a sort through wardrobes and cupboards in order to donate any unwanted textiles. You will find more information attached to the bag your child will bring home on Monday.

Thank you in advance for your support.

Message from the Governors

On Tuesday Mrs Lowe and myself had the pleasure of joining Key Stage 1 and Key Stage 2 for their annual sports day. The weather was kind to us in the morning for the Key Stage 1 round robin sports which the children fully enjoyed and took part in with excellent sportsmanship. The afternoon weather was not so kind but it did not dampen the children's spirits. The races were much more competitive but the children's sportsmanship was very evident. Well done to everyone who took part.

Many thanks must go to the organiser's : a good time was had by all.

Fran Hunter Vice Chair.

Well done to all the pupils that took part in their sports day this week. Great to see all the pupils outside, giving their best in all the races, having fun, and not even letting the rain dampen their spirits. Well done to all the staff for organising the day, and making sure it all ran smoothly, and even taking part in the last race.

Parent Governor
