Dear Parents/Carers,

We would like to invite you into school to work alongside your child during a Maths lesson. The lesson will take place on Tuesday 26th November 9-10am. During the lesson, you will be able to support your child and see how we are using equipment to support their learning in Maths.

Please fill in the slip below and return it to school if you would like to attend. Spaces will be allocated on a first come first serve basis and the session is limited to 15 due to the space available in the classroom. However, we will look at organising another lesson for those who cannot attend if there is enough interest.

Yours sincerely,

Mrs Hill

(Deputy Headteacher)
